

Dear friends,

I'm excited to announce Akio Suzuki & Aki Onda at The Emily Harvey in SoHo on Oct 1 & 2. These are the last shows of our ["ke i te ki" US tour](#). We are developing a very unconventional performing style - playing with self-made instruments, wood pieces, nails, hammer, blankets, air circulators etc - by incorporating movements and lights. It's becoming quite powerful and out of ordinary. The limited seating 90 minutes shows starts 8 pm sharp. Hope you can make it!

Oct 1 (Thu) & 2 (Fri)
